

## **Chamber Member Discount Health Insurance Program**

The Fayette County Chamber of Commerce now has an association with BlueCross BlueShield of Georgia and Purchasing Alliance Solutions, Inc. (PAS) to provide member businesses access to group health insurance products, many at discounted premium rates.

The program offers member businesses with 2 through 50 covered employees premium discounts of up to 5 percent. Members will have access to the full range of managed care and traditional group insurance products from BlueCross BlueShield of Georgia including dental insurance. Products are distributed through Chamber member insurance agents who will play a key role in helping small business owners sort through the complexities of offering employee benefits.

Member businesses can also take advantage of a variety of other discounted insurance plans from several high-quality insurance carriers.

- Companion Life Insurance Company offers voluntary and group dental, group short term disability, and group term life and AD&D at a 5% premium discount.
- Disability income insurance is available through Shenandoah Life Insurance Company and CT Group at varying discount premium rates.
- Business overhead expense disability coverage is offered through The Union Central Life Insurance Company at a premium discount for qualified Chamber member businesses.
- Discounted vision coverage is available from Avesis Incorporated.

If you would like further information about the program, please contact one of our \*Chamber member insurance agencies or call PAS directly at 770.579.1214.

\*A listing of member insurance agencies can be found in the online business directory at [www.FayetteChamber.org](http://www.FayetteChamber.org).
